REMARKS

In the petition filed June 23, 2006, the Applicants presented evidence that a response to an Office Action was sent to the USPTO along with a request for a 1-month extension of time. In the Decision on Petition Mailed August 16, 2006 the Office of Petitions dismissed the petition but acknowledged receipt of the request for an extension of time, and that the Applicants' deposit account was charged for said extension. However the Petition was denied because the amendment could not be located in the records. The Office of Petitions has instructed the Applicants to re-file a copy of the Amendment sent January 24, 2005 before the petition can be granted.

A copy of the requested amendment is enclosed herewith, and the Applicants again request that the holding of Abandonment be withdrawn in view of the Applicants' previous submissions and the re-filed amendment.

Respectfully submitted,

Kevin S. Debuson
